The new APCO MOSSBERG Tote Box Set is the latest thing for motor service work. A handsome carrying box of unique design with plenty of room for spare tools.

Buy the Tote Box and complete MOSSBERG wrench equipment in three easy stages.

900-A is the first unit — the Tote Box and a good assortment of MOSSBERG sockets and handles.

900-B and 900-C complete the kit with additional handles and sockets.

✱ The owner's name appears on every Tote Box handsomely engraved on a brass nameplate. This unique feature costs you nothing.
